## জাতীয় সংগীত

আমার সোনার বাংলা, আমি তোমায় ভালবাসি।  
চিরদিন তোমার আকাশ, তোমার বাতাস  
আমার প্রাণে বাজায় বাঁশি।

ওমা, ফাগুনে তোর আমের বনে ঘ্রাণে পাগল করে  
মরিহায়, হায়রে  
ওমা, অঘ্রাণে তোর ভরা খেতে,  
আমি কী দেখেছি মধুর হাসি।।

কী শোভা, কী ছায়াগো, কী স্নেহ, কী মায়াগো,  
কী আঁচল বিছায়ছে বটের মূলে, নদীর কূলে কূলে।

মা, তোর মুখের বাণী আমার কানে লাগে সুধার মতো-  
মাতোর বদন খানি মলিন হলে  
আমি নয়ন ও মা আমি নয়ন জলে ভাসি  
সোনার বাংলা, আমি তোমায় ভালবাসি।

যার প্রতীক এই পতাকা  
আমি বিশ্বাস করি

এবং মুক্তি ও ন্যায় বিচারে

## *Editorial*

We are delighted to publish the souvenir on 15th Charter Anniversary 2024 of our Lions Club of Chittagong Parijat Elite. We remember with deep gratitude and respect our Club Founder, Guardian Angel, Charter Members, Sponsors, Patrons for establishing the club to serve the community and helping members grow their leadership potential.

This year the call of our District Governor, Ln Md M Mohiuddin Chowdhury PMJF is "Mission for Peace and Prosperity". Keeping this slogan close to our hearts, our club is rendering services embracing the Lions Clubs International five pillars of service: Vision, Hunger, Diabetes, Childhood Cancer, Environment.

In this souvenir, we have tried to portray our various annual service activities with diversity reflecting our devotion and dedication towards mankind and the generosity extended by our members in rendering humanitarian services to society. The Souvenir has been undoubtedly enriched by the Goodwill messages from the respected Lion Leaders at International, Regional, Multiple and at District.

We have dedicated this Souvenir on the theme "Preserving our Planet: Our World our Future."

Lions Club of Chittagong Parijat Elite is driven by the UN Sustainable Development Goals shared commitment to safeguarding the environment. By supporting and advocating for environmental awareness, education and advocacy, clean water and sanitation, tree planting and tree care, planting saplings: mangroves, coconut trees to save coastal belts from natural disasters, recycling and waste management, cleaning beach, canals to address water logging, advocacy for using alternate use of plastics etc. We strive to leave a safe planet for generations to come.

Our club has planted saplings every year. Our Leo did beach cleaning. Our Leo helped to clean Chandgaon residential area drain. For environmental awareness building we did workshop on "Climate Change: Our Responsibility to Save the Planet."

There are many ways to save our planet including conserving water, reducing our use of oil and embracing green energy, reducing waste and single-use plastics and planting more trees. If we're looking for small ways then together we can make a difference. And, now onwards, it's high time for turning our pledges into actions, and about ensuring that every step we take towards sustainability is one that uplifts communities and preserves our planet for future generations. Join us in our journey to make a lasting impact through conservation, awareness, and sustainable actions. Together, we roar for a brighter, greener future!

As the Chairman of the Souvenir Sub- Committee, I express my heartfelt gratitude to our club members, advertisers and patrons. Thanks to the Editorial team members, all concerned Lion and Leo members for their whole hearted cooperation to publish this souvenir. Special thanks to Ln Jahanara Begum MJF, Chairperson, Charter Anniversary Organizing Committee, Club President, Secretary and all Members. Last but not the least, we seek your forgiveness for any inadvertent mistake or lapses in the Souvenir.

Long Live Lionism, Long Live Bangladesh.

**Melvin Jones** researched the idea of calling the New Organization Lions. He was covinced that Lion stood for strength, courage, fidelity and vital action. On a secret ballot the name **LIONS** was chosen over several other.

### The Lions Emblem

At the 1919 convention, there was a move to change the symbol, but a young attorney from Denver, Colora-

## FOUNDER OF LIONISM

Selfless service and sacrifice, devotion and dedication towards the cause of less fortunate makes a man truly great. One truly great man was our founder MELVIN JONES.

Melvin Jones was born on January 13, 1879 at Fort Thomas, Arizona, the son of a United States Army Captain who commanded troop of scouts. Later, his father was transferred and the family move deast. As a young man, Jones made his home in Chicago, Illinois and associated himself with an insurance firm Johnson & Higginsandin1913 formed his own Melvin Jones Insurance Agency.

He soon joined the business circle, a businessman 'slunche on group, and was shortly elected secretary. This group was one of many at that this group was one of many at that time devoted solely to promoting the financial interest of their members. Because of their limited appeal they were desired to disappear. Melvin Jones, however, had other plans. "What if the semen" he asked, "who are successful because of their drive, intelligence and ambition, were to put their talents to work improving their communities?" Thus, at his invitation, delegates from men's clubs met at Chicago to lay the ground work for such an organiza-tion and June 7, 1917 Lions Clubs International was born. It was stipulat-ed that clubs were not be social in nature nor we remembers permitted to promote their own business iterests.

Jones eventually abandoned insurance agency to devote full time to Lionism at International Head quarters in Chicago. It was under his dynamic leadership that Lions Clubs earned the prestige necessary to attract civic-minded men. Lionism's founder was also recognized as a leader outside the association. One of his greatest honours was in 1945 when he represented Lions Club International as a consultant in San Francisco, California at the organization of the United Nations.

# PEACE POSTER

Opening the Door of Peace.

The meaning of my art is about opening the door of peace and chasing it away to the earth. To stop violation, child labour, robbery etc. To make all the countries together and making peace. Stopping fights. And giving everybody a chance to lead their life by themselves.

Waziha Noortaz (5A) NC  
CIDER International School

Peace Poster

The theme/meaning of my drawing was about peace and dream. The bird in my drawing indicates the peace sign. The flags behind the bird indicates about the nations, All the nation should stay united and should live peacefully. The religious signs indicates that all different religion should stay together and reveal peace.

A dream can be very from people to people. The flower is representing the reflections of one's mind. People can make their dream through their imagination. This dream represents to help people each other which is having lackings nowadays in the world. We should be more helpful with people then only we can step forward with love and care.

# Leo Charter

## What is LEO?

Leadership – Experience – Opportunity. Those are just a few of the rewards young people gain from participating in Leos. They also happen to be the values that create the acronym of our club name. In total, more than 144,000 young people in 144 countries are proud to serve others in their local communities and to call themselves Leos. These young community leaders are friendly, active and dedicated to creating new and exciting opportunities by participating in their local Leo clubs. Social and professional connections are an additional benefit for Omega members (age 18 and older).

## What are Leo Clubs?

Leo clubs are an official activity of Lions Clubs International that encourages young men and women to serve others in their community and around the world.

Leo clubs are sponsored by local lions clubs and may be either school-affiliated or community based.

Leo club activities include regular meetings, service projects and social functions.

The Leo motto - Leadership, Experience, and Opportunity - is fulfilled as members work together in response to the needs of others.

## History of Leoism

Leo Clubs History Back in 1957, Graver was the coach of the Abington High School, Pennsylvania, USA, baseball team. Graver was also an active member of the Glenside, Pennsylvania, Lions Club. With fellow Lion, William Ernst, Graver talked about starting a service club for high school boys. "The Kiwanians had their Key Clubs and the Rotarians had their Wheel Club (since changed to Interact Clubs)," Ernst is quoted as saying in an October 7, 1976 newspaper article in "The Evening Bulletin." So they asked their fellow Lions for support. Without hesitation, the Glenside Lions agreed that a Lions youth group was a good idea. Graver and Ernst set to work. "We needed a nucleus, a group of kids to start with," stated Ernst. "So we got Jim's son to come to the first meeting with his whole baseball team." Nine sophomore, junior and senior boys joined the group of 26 baseball players. Together, the 35 teens formed a club. On December 5, 1957, the Glenside Lions presented a charter to the Abington High School Leo Club. As the world's first Leo club, the group created the Leo acronym - Leadership, Equality, Opportunity (Equality was later changed to Experience.) And, the group chose maroon and gold - their school colors - to serve as the Leo club colors. An Idea Whose Time Had Come The Abington Leos were a singular entity until 1963. In that year, a Leo club was formed at the Tamaqua Area High School in Pennsylvania. Shortly thereafter, a former Philadelphia Lion formed a Leo club in New York. By 1964, there were 27 Leo clubs in Pennsylvania and one in New York. The circle of junior service clubs was expanding. In October 1967, the board of directors of Lions Clubs International adopted the Leo Club Program as an official program of the association. Open to males and females, the objective of the Leo Club Program was (and still is): "...to provide the youth of the world (with) an opportunity for development and contribution, individually and collectively, as responsible members of the local, national and international community." In 1968, newly formed Leo clubs began sending their requests for club certification to International Headquarters. On October 17, 1969, forms requesting certification for the Abington High School Leo Club reached headquarters. On this date, the world's original Leo club was formally recognized as a part of the international Leo program. Leo John Hebert of Baederwood, Pennsylvania, served as president of the Abington High School Leo Club. Today, the Leo Club Program is stronger than ever. Community service remains the cornerstone of the program. Like their Lion counterparts, Leo club members enjoy serving their neighbors and watching positive results unfold.
